IMPORTANT NOTICE TO CERTIFICATE HOLDER

This Business License Tax Certificate is issued without verification that the holder is subject to or exempt from licensing by the State, County, Federal government, or any other governmental agency. It is issued for revenue purposes only and does not constitute a permit to operate a business in violation of the law. Appropriate permits from the Planning, Building, Fire, Police and/or other Departments of the City may have to be secured before the start of your business. The business location, whether owned or leased, must be properly zoned and the building must meet fire code and hazardous materials standards. A business license tax does not indicate clearance from City, County, State, or Federal permits or licenses, which may be required for your type of business. You may want to contact the appropriate City Departments and/or County, State or Federal agencies before commencing your business.

If you have any questions regarding requirements or conditions on your Business License Tax Certificate, please call the Revenue Services Division at (650) 780-7214.
